Rating: Intermediate Low

梅梅,你好.

你去因为今年的中国学的机会就是很好.

再见.

- The writer wrote a simple composition in loosely connected texts about a personal topic--writing to a friend and promising to talk to the friend's mother for permission for the friend to come to China to study.
- The writing style closely resembles oral discourse since it is an email.
- The writing is composed of discreet sentences.

Though there are some errors in grammar (我能聊天对你妈妈; 我也想你去因为今年的中国学的机会就是很好), this writing can be understood readily by natives used to the writing of non-natives.
